The

"TIGER" OF '57

presented by the Senior Class of

NINTH AVENUE SCHOOL

Hendersonville, N. C.

Foreword

The Seniors of 1957 feel that a complete record of the experiences, efforts, and events enjoyed by the students is not of primary importance. The true value of any effort lies in the personal growth which transpires through the democratic exchange of ideas, the fostering of good human relations, and the instilling of the desire for self-improvement.

It is our hope, therefore, that you will find joy, satisfaction, and inspiration, as you look through this publication.

To one who is deeply moved by the challenges of our time, to one who is possessed with high educational and moral convictions, to one who is compassionate, loyal, and ingenous, and finally, to a teacher, advisor, and true friend, we, the Seniors of 1957, proudly dedicate this book to you...
